Cloud services:

It is basically used to handle the cloud storage and data functions carried out in the system technology

IBM Cloud Service:

The screenshot displays the IBM Cloud dashboard interface. At the top, there's a navigation bar with the IBM Cloud logo, a search bar, and links to Catalog, Manage, and the user's account (Sarthaj A's Account). Below the navigation bar, the main content area is titled 'Dashboard' and includes a 'Create resource' button. The dashboard features a 'For you' section with several recommended services and tutorials, such as 'Build a web app with Watson Speech to Text', 'Get Started with Watson Studio', 'Build a virtual machine', and 'Get started with Watson Discovery'. Each service card includes a brief description, a 'Getting started' button, and a duration. At the bottom, there are sections for 'User access', 'News' (with links to SLSA Support and WebSphere Application Server Support Restatement), and 'Planned maintenance'. The bottom of the image shows a Windows taskbar with various application icons and a system tray displaying the date and time (12:21 PM, 11/15/2022).
